Gary and I felt that you should know that we are very happy with the work that was done in our basement. We were please at the efficiency and business like attitude that Du - All contracting handled our claim and the work that was accomplished.

Du - All worked with us on all aspects of the job and made a problem turn into a great basement. Their supplies and workmanship were of the finest quality. Du - All 's employees were clean when they worked and very courteous.

Gary and I could not be more happy with the quality of work that Du - All accomplished in such a timely manor. We are so pleased with their work we will be using them for other house improvements this spring and summer.

Thank you for recommending them, we hope that this letter will encourage you to recommend Du - All to any and all insurance claims that you will have come up.

Sincerely,
